

Wholesome Snack Wheel

Materials Needed:

- Scissors
- Brad Fasteners
- Hole Punch

Wholesome Snack Wheel

Instructions:

- 1.) Cut on the dotted line, to separate the wheel from Page 1.
- 2.) Cut on the dotted line to remove the viewfinder from Page 2.
- 3.) Cut out the window from the center of the viewfinder.
- 4.) Holepunch on the dots of both the wheel and the viewfinder.
- 5.) Attach the two pieces using a brad fastener. The viewfinder should go above the wheel. Only fasten them tight enough so the viewfinder can spin around.

Materials Needed:

Scissors
Brad Fasteners
Hole Punch
